Dear Friends,

August, 2004

“He Rewards Those Who Earnestly Seek Him!”

What a blessing to hear the reports of each of the workers as they share what God has been doing all across this province. In Hebrews 11:6 it says, “**And without faith it is impossible to please God, because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him.**”

All summer we have desired to introduce the children to this life of faith and have been encouraged as one child after another have come to Jesus and put their faith in Him. One little Chinese girl came to a club in La Fleche on a Wednesday, and when the CYIA worker said that Jesus saves everyone, this little girl looked at her and said, “**but not the Chinese**”. She told her that Jesus saves the Chinese too! She was so surprised and on Thursday she made a decision to accept Jesus as her Savior.

It is exciting to hear of the thousands of boys and girls all over Saskatchewan just like this little Chinese girl that have heard the stories from God’s Word and hidden God’s Word in their hearts, as the CYIA have traveled this province to share their **faith** with these children. In the month of July there were **1,525** children come to the 5-Day Clubs and **86** children gave their hearts to Jesus along with many more that did so through the UB David and I’ll B Jonathan lessons. Only time will tell what God will do through these children as they place their **faith in Him** and ‘**believe that He exists**’ and ‘**earnestly seek Him**’. I believe that God will work strong on their behalf as they live their lives for Him.

During the month of August we look forward to hundreds more children who will hear the same message and will also choose to put their **faith and trust in Him** just as this little Chinese girl did! I am more convinced than ever that the key to turning our nation around is to raise up a generation of young people that will **earnestly seek Him**.

Sharon continues her treatments as I continue to hand out doughnuts and God continues to provide opportunities to share our faith in Him. About one month ago I was asked by the Director of Psychosocial Oncology to come with him into a private room where **he asked me to stop sharing my faith** with the patients. I told him at least four times during our conversation that I would not stop sharing the hope we can have as we place our trust in Jesus Christ and that these people at the cancer clinic need to hear this message of hope. Since then we have continued sharing the hope we have in Jesus and last Friday learned that God has removed this same fellow from this position and he no longer works at the cancer clinic. Wow! Only God could do that!

As the CYIA complete the last couple of weeks of 5-Day Clubs we with **faith believe** that many more children will accept Christ as their Savior. We are trusting God to provide the needed finances to pay each of the workers, along with the gas bills for the cars, and postage costs as we mail out thousands of lessons to the children who attended the 5-Day Clubs. Sharon and I are so thankful for the part each of you have had in this ministry this summer and trust that you too are encouraged in all God is doing as together we **earnestly seek Him**.

For the sake of the children,
