Dear Friends,

February, 2005

## Do What's Right!

It seems like such a crucial time in our nation as once again we are faced with another choice. Will the leaders of our nation pass this legislation on same sex "*marriage*" or will they '**Do What's Right?**' Lately I have been reading through 1 & 2 Chronicles about the kings of Judea and Israel and almost without exception we read that either they **did that which was right in the sight of the Lord** or they did that which was **evil** in the sight of the Lord. If they chose to do **what was right in the sight of the Lord**, God prospered the nation as they followed Him. If they chose to do that which was evil in the sight of the Lord they did not experience the blessing of God in their nation. Will it be said of our leadership, **that they did what was right in the sight of the Lord?**

Our theme for the 5-Day Clubs and VBS's this year is **Do What's Right!** How badly our nation needs a generation that will rise up with **Hearts ♥ That Desire to Please God** and that will choose a leader for this nation that will **do what was right in the sight of the Lord**. I am more excited about this ministry to children than ever before as we teach this new generation the importance of having **Hearts ♥ That Desire to Please God** in order that they would **Do What's Right**, and that it might be said of them **they did that which was right in the sight of the Lord**.

This year is the centennial year of our province and this summer we are seeking to expand this ministry to children as God opens the doors and leads the way to spread the gospel message. I realize once again that it is only God who can change hearts. What a blessing it is to share this truth with the children of our province.

As God continues to put these children on my heart, I am reminded of the important role each of you have in this ministry. Many of you have supported this ministry for many years through your prayers, time, and financial support. What a privilege it has been to work together to spread the gospel to the children, and only eternity will reveal the full impact of your part in this ministry. I believe it is more crucial than ever before as we seek to change the direction of our nation that we raise up this new generation to put their faith and trust in Jesus Christ and that they would have **Hearts ♥ That Desire to Please God** and that, as they become the future leaders of our nation, it would be said of them **they did that which was right in the sight of the Lord**.

Sharon and I are so thankful for each one of you and your faithful support and prayers as you have carried us through this time of testing. Sharon is having her final cancer treatment on Friday, February 18<sup>th</sup>, and we are so thankful for all God has done. We would love to see each one of you as we are planning to be at the five spring banquets with most of our family. I hope you will be able to join us at one of these banquets as we share what God has been doing in the hearts and lives of the children.

Spring banquet dates and locations are on the back of this letter; we would love to see you there. Just call one of the numbers in your area to make your reservation! If there is not a banquet in your area and you would be interested in helping to spread this vision for children this spring by helping us plan even a dessert night in your area please call me at 586-5588. We would love to come. God bless each of you in all you do for Him.

For the sake of the children,

Jerry Durston  
Provincial Director
