Dear Friends,

December, 2006

“Glory to God in the Highest!”

As we approach the Christmas season once again I find myself rejoicing as the angels were in Luke chapter two. It is always exciting to share good news and I am sure the angels could hardly wait for the opportunity to tell those on the earth below that God was sending “**His only begotten Son**” to earth as a baby and that this good news was for all people. In verse 14 we read that the angel of the Lord was joined by a multitude of angels, praising God and saying, “**Glory to God in the highest, and on earth peace, good will toward men.**”

All year long I have found myself rejoicing in the things that God has done and during this Christmas season I find myself praising God and saying, “**Glory to God in the highest**”. Would you join me? It says there was a multitude of angels praising God why should there not be a multitude of those He came to save shouting, “**Glory to God in the highest, and on earth peace, good will toward men**”?

God has done far more than we would have ever dreamed possible this year through this ministry to boys and girls. Though the list seems endless of the things that God has done, I will share a few of the highlights. There were **53 new cities and towns** where children had the opportunity to hear the gospel this summer and **300 children** who accepted the Saviour the angels were announcing in the field that day, “**a Saviour which is Christ the Lord**”.

In **Club DJ** I think of a young boy who came to 5-Day Club and told us his grandfather wanted him to start going to church. Two weeks ago his grandpa brought him to **Club DJ** for the first time, and that evening this young boy raised his hand as one who wanted to follow this very same Jesus that the angels announced so long ago, “**a Saviour which is Christ the Lord**”. I think about his mom who came to the last night of **Club DJ** before Christmas and shared with Sharon that she has been off drugs for a year and off alcohol for 5 months and wondered if she could visit with Sharon on Wednesday nights at **Club DJ**. I believe this mom will also someday give her heart to Jesus. This Christmas would you join with us and give “**Glory to God in the highest**” as it is only through Him that there will be “**on earth peace, good will toward men**”.

In the next couple of weeks we will be sending out a Christmas mailing to the boys and girls we are seeking to disciple to live for God. Each letter will include a **Mailbox Club** lesson from the **David and Jonathan** program and a promise that if they complete it and send it in, we will send them another lesson and a gift in the mail. We have done this for several years now and it is always exciting to see the response from the children. One of the most exciting things this year is that the number of children who will be receiving this letter has grown from **5,000 last year** to over **7,000 this year**. That is **2,000 more** children in just one year! Once again I find myself rejoicing and saying, “**Glory to God in the highest**”!

There is so much more I could share about what God has done this year including the development of **Club DJ CONNEXTION** as well as the partnership which is developing between CEF across Canada and **Club DJ**. We want to thank each of you for your part in this ministry to children all year long and I would ask that you join with me and together we will shout as the angels did of old, **“Glory to God in the highest, and on earth peace, good will toward men.”** May God bless you for your part in this ministry to children and together we will look forward with anticipation to all God will do in the year ahead.

Merry Christmas to you and your family and may this Christmas season find you celebrating God’s faithfulness praising God and saying, **“Glory to God in the highest, and on earth peace, good will toward men.”**
